The Sixth International Conference on COMMunication Systems and NETworkS (COMSNETS 2014)

The COMSNETS 2014 **Poster Session** is a forum to showcase new and exciting ideas in the fields of networking and communications. We believe this will be a great opportunity to get feedback on the ideas and improve on existing work. We would like to invite prospective presenters to submit a **2 to 4 page abstract towards this**. The abstract may include figures, tables, or graphs. The final presentation will be in poster form, and will be held in the afternoon on 9th Jan 2014 tentatively. Selected student presenters will be considered for travel grants for the conference and the abstracts will be part of the conference proceedings.

The abstract can be submitted in Word or PDF format (with the same template as of papers) to zainulcharbiwala@in.ibm.com.
