

The 17th International Conference on COMMunication Systems and NETWORKS (COMSNETS) will be held in **Bangalore, India**, from **January 6-10, 2025**. COMSNETS is a premier international conference dedicated to advances in Networking and Communications Systems.

The **COMSNETS 2025 Poster Session** is a forum to showcase preliminary/ongoing work in the area of computer networking and communications. COMSNETS being the premier venue for networking research in India and abroad, attracts a lot of researchers from both academia and industry. Therefore, poster presenters will benefit from lively discussions and critical feedback on their work in progress. In addition, all submissions will get detailed reviews from the poster reviewing committee.

Accepted posters will be published in the conference proceedings.

National/International travel grants will be available for a select number of poster authors. A panel of judges will award these grants.

Best Poster Awards will be awarded based on the poster session presentations by a panel of judges.

Topics of Interest

The topics of interest for the technical program include (but are not limited to) the following:

- Emerging 6G technology advancements
- 5G and wireless broadband networks
- Technologies for 6-100 GHz spectrum
- Edge and fog computing/networking
- Studies on testbeds and large-scale experimental platforms
- Long-range/Low-power wide-area wireless networking
- Connected unmanned aerial/terrestrial/underwater systems.
- CubeSats / Satellite Networking
- Non-Terrestrial Networks
- WLAN, RFID and NFC
- Visible light communications
- Heterogeneous networks (HetNets)
- Cognitive radio and white-space networking
- Economics of networks
- Energy-efficient communications
- Cloud computing
- Enterprise, data centre, and storage-area networks
- Internet architecture and protocols, Internet science, and emergent behavior
- Mobility and location management
- Mobile Sensing
- Traffic analysis and engineering
- Internet of Things (IoT)
- Caching & content delivery systems
- Information/Content centric networks (ICN)
- Network management and operations
- Network security and privacy
- Trusted computing
- Network science
- Online social networks
- SDN/NFV and Network Programmability
- Internet Measurement and Modeling
- Systems and networks for smarter energy and sustainability
- Vehicular communications
- Smart Grid communications and networking
- Machine Learning and AI in Networking
- Big Data Analytics in Networking, including IoT Analytics
- Blockchain and Distributed Ledger

What to Submit

Poster submissions must be at least 2 pages and a maximum of 4 pages of technical contributions (including Tables and Figures) + 1 page for references. **The submission must use the same template as that of the conference.**

Submissions that do not adhere to the conference template will be rejected without review. All submissions must be in PDF format.

Important Dates

Poster Submission deadline 17th November 2024, AoE
 Notification of Acceptance 5th December 2024, AoE
 Camera-ready Submission 15th December 2024, AoE

Please see https://www.comsnets.org/poster_session.html for detailed information. For queries, please email us at comsnets.conference@gmail.com

Poster Co-Chairs

Dheryta Jaisinghani
University of Northern Iowa
USA

Shantanu Pal
Deakin University
Australia

Rohit Verma
Intel Labs
India
